

**SERRANO WATER DISTRICT
DIRECTOR, DIVISION 3**

NAME: ROBERT F. (WOODY) RICKERL

OCCUPATION: Director, Serrano Water District

I ask for your vote to enable me to continue as a Director of Serrano Water District. My wife Jana and I have been residents of Villa Park for over 30 years. I believe my experience in business, finance and law has and will continue to be an asset as a Director of Serrano Water District.

I have been active in community affairs, presently being a member of the Orange County Sheriff's Advisory Council, Orange Community Foundation, and Rotary Club of Villa Park. Also, I have been appointed and served on various Villa Park Citizen Advisory Committees.

During my tenure as a Director, my goal has been to provide you with quality drinking water at the lowest possible cost. This has been accomplished through some difficult times, including successful litigation to preserve the water rights in Irvine Lake (the primary source of your water) and the current prolonged drought.

Other accomplishments include the construction of a state of the art treatment plant that enables the District to supply you with quality drinking water and to meet current and future requirements for water quality. Additionally, I helped spearhead the recent completion of a sophisticated security system that protects the District's facilities.
